

“Hello Again!” from Lew Hays

I want to invite all past and new customers to stop by and see me. Let me know if I can help you with your next car or truck purchase.

I will try to make your purchase as enjoyable and as stress free as possible.

You'll find me at Mocks on Tuesdays, Wednesdays and Thursdays. Call me any day of the week and I'll gladly meet you at the dealership. I look forward to working with you! **541-660-9595.**
