**Dwayne Yunker** spent twenty-one years serving his country with the military, ten as a Marine and another eleven with the Oregon National Guard. So when he began his career as a Realtor in 2018, he approached the job the way most any veteran would - head on, with deep devotion to the people he serves.

## Here is what Dwayne's clients have to say about working with him:

Dwayne was awesome to work with! He was always accessible and during crunch time at the end made it all come together so it could close when I needed it to. I would highly recommend him and would use him for future real estate needs!

I have had the pleasure to work with Dwayne on my second purchase with him. I know there are many agents out there, however, there is only one Dwayne. He knows the local market, he is a true advocate and not simply concerned with his commission. He is responsive and goes above and beyond for his client. Dwayne is the epitome of professionalism! I look forward to working with him again and highly recommend that you do too. Ever since my first transaction he has been my go to and will continue to be. He has earned my loyalty.

Dwayne is very professional in his job, he is very helpful and responsive, he knows how to get the job done! He makes everything as smooth as possible.

Dwayne Yunker worked tirelessly towards selling our rental property, so much so we trusted him to represent us in the purchase of our dream home. There were some hurdles to get over, from our Veterans loan process, tenants that were still living in our rental, and responses to home inspections, In all our process took longer than most, and Dwayne never faltered, was always on our side, and made it work. We appreciated very much
